March 17, 2020

Shetek Lutheran Ministries has offered Christian camp programming in a place apart for over 70 years. This is our mission and we will continue to “treat every guest as Christ”.

One of our priorities at this time is keeping our retreat guests, campers and staff safe from the health risks of the COVID-19 virus. Currently, we don't have any groups or programs through the end of March. We'll re-evaluate at that time as to whether we will offer our programs and/or accept retreat guests. Our staff is cleaning and disinfecting all our facilities to prepare for our next guests.

This situation seems to be changing every day. We continue to monitor the Minnesota Department of Health and the Center for Disease Control for their current recommendations and we are following their guidelines along with the Governor's executive orders as they pertain to us.

Registration for the summer is open and even though there are currently so many unknowns, as of today, we are planning for a full summer program. **We are extending the Early Bird Special to April 15! Deposits will be refunded if we are not able to provide our summer program.**

Please continue to follow the recommended guidelines of washing hands, covering coughs, not touching your face and social distancing to keep yourself and others safe and to limit the spread of the virus. If you don't feel well, it is recommended that you stay home.

Shetek is a place apart. You are invited to come out to camp to walk around, meditate, think, relax and/or pray if you need a place to get away.

God is with us through all this – “Be strong and courageous; do not be frightened or dismayed, for the Lord your God is with you wherever you go.” Joshua 1:9

Thank you for your continued partnership in ministry,

Marv Nysetvold

Executive Director
