We continue to monitor the Minnesota Department of Health and the Center for Disease Control for their current recommendations and we are following their guidelines along with the Governor's executive orders as they pertain to us.

Starting tomorrow, March 28 to April 10, we won't have regular hours in the office. Leave a voice mail or email us and we'll get back to you when we are able to. Email camp at camp@shetek.org or Marv at marv@shetek.org and we'll get back to you. We'll be stopping out at camp throughout this time to check on buildings, etc.

Registration for the summer is open and even though there are currently so many unknowns, as of today, we are still planning for a full summer program. **We are extending the Early Bird Special to April 15! Deposits will be refunded if we are not able to provide our summer program.**

Please continue to follow the recommended guidelines of washing hands, covering coughs, not touching your face and personal distancing to keep yourself and others safe and to limit the spread of the virus. If you don't feel well, it is recommended that you stay home.

Shetek is a place apart. You are invited to come out to camp to walk around, meditate, think, relax and/or pray if you need a place to get away.

I love these lyrics from the song, "My Lighthouse" - I won't fear what tomorrow brings
With each morning I'll rise and sing
My God's love will lead me through
You are the peace in my troubled sea

May God's love continue to lead us through these times,

Marv Nysetvold
