April 8, 2020

Governor Walz extended the stay at home order today effective until May 4. Shetek will not be hosting any retreats or offering any programs during this time. We are being creative in how we may offer programs and considering using Zoom for our pre-marriage retreat on April 18. Our office hours will continue to be irregular as we stop out to check on camp buildings and get the mail, etc. Leave a voice mail or email us and we'll get reply when we are able to. Email camp at camp@shetek.org or Marv at marv@shetek.org and we'll get back to you.

Registration for the summer is open and even though there are currently so many unknowns we are still planning for a full summer program. We know any onsite program will look different than previous summers and we are updating our health care policies and procedures to provide the safest experience possible for our campers, staff and guests. Our programs will obviously be contingent on the Center for Disease Control guidelines, MN Dept. of Health orders and Governor Walz executive orders. As an accredited camp with the American Camp Association, our priority is safety first. **The Early Bird Special has been extended to April 15! Deposits will be refunded if we are not able to provide our onsite summer program.**

Please continue to follow the recommended guidelines of washing hands, covering coughs, not touching your face and personal distancing to keep yourself and others safe and to limit the spread of the virus. If you don't feel well, it is recommended that you stay home.

A couple things to look for – Check out Facebook at 10:05am Monday through Friday for a short message from Shetek and watch for the Camp Store to show up online soon. You'll be able to order a piece of camp to help you think of summer!

May you feel God's presence and comfort this Holy Week – Easter is coming!

Marv Nysetvold
