Program Director – Amanda Randall

May 22, 2020

We continue to monitor the situation and are following guidelines from the Center for Disease Control (CDC), the MN Department of Health and Governor Walz's StaySafeMN orders. The American Camp Association (ACA) worked with Environmental Health and Engineering, Inc. to create a Camp Operations Guide. It is now complete and follows the CDC recommendations and will be updated continually as new information comes out. Click on the link to view. <https://www.acacamps.org/resource-library/coronavirus/camp-business/camp-operations-guide-summer-2020> The CDC, the MN Dept. of Health and Gov. Walz are developing guidelines for overnight camps but they have not been released yet. Shetek will be using the ACA Guide and further recommendations to evaluate our ability to offer onsite programming this summer. As of today, we are still planning on beginning our summer program on June 28. We are planning and preparing for several different possible scenarios.

We have several Day Camps or VBS programs scheduled at our congregations and we are not sure if we'll be able to do those. A lot will depend on whether or not the congregation is opening up and having services or events yet, which will depend on Gov. Walz's orders.

Our Board meets again on June 2 and we will be evaluating the situation at that time. Gov. Walz has released the StaySafeMN Plan with Phase II beginning on June 1 and we'll be following those orders.

Missing camp? Many items from our camp store are available now in our online store!

Thank you for your patience and understanding during this time.

If you have questions please send an email to camp@shetek.org or Marv at marv@shetek.org and we'll get back to you.

"Fear not, for I am with you; Be not dismayed, for I am your God. I will strengthen you, Yes, I will help you, I will uphold you with my righteous right hand." **Isaiah 41:10**

Peace,

Marv Nysetvold
