Hello all,

First, thank you for your patience as we continue to discern how we can safely offer programming and continue to share the love and joy of camp with you in these challenging times. We are missing all of you and anxiously await when you can come to camp!

We are SO excited to offer an option that will run concurrently with any on-site programming we are able to offer, **Shetech**, a free program. This will be an option all summer, so even if you come to camp on-site, you could still come virtually and have a few weeks of camp this summer filled with song videos, cabin life, crafts, worship, and so much more! Your camper will be paired with a counselor pair and cabin mates to build relationships with throughout the week using specific touch points throughout the day utilizing Zoom, a video conferencing platform. They will join a real-time bible study, cabin life, and, at least, one all camp game during the week. We will livestream morning worship and campfire, as well as post videos for crafts and other activities on our virtual platform found at <https://sheteklutheranministries.virtual-camp.org>

If you have any questions about the above information, please email our Program Director, Amanda (amanda@shetek.org) or our IT Director for the summer (it@shetek.org)

In conjunction with our free **Shetech**, we will be offering an option for a camp-in-a-box. This box will include a *full week* of activities and supplies that go with the curriculum for the summer and some fun surprises! This will be offered in two formats, \$30 for one camper, \$35 for a family. The box will have everything you could need for our virtual programming that may not be a common household item.

Register for **Shetech** here - **SIGN ME UP!**

Stay tuned on our Facebook page and website for an update including a schedule. We are so excited to bring camp to you wherever you are, as well as offering safe programming on-site at Shetek Lutheran Ministries, if we are able.

As our theme so aptly states, "For the Lord is good; his steadfast love endures forever, and his faithfulness to all generations." (Psalm 100:5) We look forward to continuing in sharing God's love here at Shetek and with you at home.

Joyfully,
Amanda Randall
