Camp Life in 2021

Housing: CITs stay in a cabin with their own cabin group. A cabin group consists of about 6-9 youth and 1 counselor. Each cabin has bunk style housing and a small bathroom/sink. A shower house is nearby with additional toilet and shower facilities.

Meals: Meals will be plated this year and campers will eat outside as much as possible. If eating in the Dining Hall, campers will be physically distanced from each other and other cabin groups. We strive to provide quality and nutritious food. If you have special dietary concerns, please be sure to notify camp ahead of time and indicate it on your health form.

Day-to-Day: CITs serve and grow in leadership skills while leading and participating in activities alongside SLM Staff and campers. CITs participate in many activities throughout a typical camp day including Bible study, worship, swimming, arts & crafts, games, environmental education, boating, etc. – all in God’s Creation! These activities will all be with their cabin group and if there is an activity where physically distancing is not possible, campers and staff will wear cloth face masks.

Staff: The summer ministry team consists of young adults who are committed to safety, loving youth, and following Jesus. All of our summer staff complete an application, interview, background check, training, and are certified in CPR/First Aid. All of our staff have also gone through the pre-screening process before camp started.

Health Care: CIT’s medical needs will be cared for daily by SLM’s Health Care Manager. CIT’s temperatures will be taken twice a day. All our summer staff members are first-aid certified and trained in CPR. All medications will be turned in to the Health Care Staff upon arrival, **along with the pre-screening form. Please have medications labeled in a zip lock bag when you arrive.** CITs will have the opportunity to discuss individual needs with the Health Care Manager during orientation. If a CIT becomes ill during the camp session, they will be treated according to written and approved doctor’s treatment procedures. If a CIT has a temperature of over 100.4, or other symptoms of COVID-19, the CIT will be isolated and the parents/guardians will pick them up and bring them home. SLM Staff will notify a parent/guardian if your CIT requires any advanced medical care beyond the basic care provided by the camp health staff. Please be sure to notify camp of any special physical or dietary needs before your arrival at camp so our staff can make proper arrangements. If you did not fill it out online, bring your completed health history form with you to camp!

Insurance Information: SLM carries secondary accident insurance on each camper but does not carry health or sickness insurance. In the event of an accident or sickness, medical bills will be directed to the CIT’s parents for their insurance to pay. Expenses not covered by the family policy due to accident, may be sent to SLM and submitted to our insurance company.

Code of Conduct: All CITs and parents/guardians should read through the enclosed behavior policy and sign the health form to acknowledge that you have read it.

Camp Fees/Payments: In order to minimize contact, final payments, excluding payments made by your congregation, will be due BEFORE you arrive. Make payments through our website or mail your payment to the address below.

Worship Offering: Each CIT is encouraged to consider making a monetary offering to support other ministries. CITs will learn more about the ministry made possible through these gifts during a camp worship. If you would like to share a gift, please submit it online with your payment. CIT offerings will be shared equally with:

- **Bangladesh School Project:** The school provides quality educational services for children experiencing poverty in the Dinajpur and Rangpur areas of Bangladesh. In the past we have provided tuition, desks, and support to build a playground.
- **Camp Love’s Embrace:** A local overnight children’s grief camp for children ages 7-14 who have experienced the death of a parent, sibling, grandparent, best friend, or other person of significance in their lives.

Camp Store (Canteen): Each CIT receives a snack and beverage per camp store time which has been included in the registration fee. CITs need to put money on account before arrival to purchase clothing or novelty items. Purchases will be deducted from the account and the balance refunded on the last day of the camp session. The camp store will NOT be open at registration or at pick up.

Mail and Phone: To ensure delivery of mail during a CIT’s stay, it is best to send mail early, in some cases even before the camper leaves home. CITs will not have internet access but you can email a note from your Campwise/registration account and we will deliver it. Phone calls are discouraged with the exception of emergencies.
