

Here is what congregations have to say about SLM Day Camp:

"It is great to have a team of counselors come to our site & lead the week. They have a plan, are equipped to handle situations that may arise but most of all engage the kids in a week of faith-building & fun"

-Barb, Day Camp Coordinator

"This gave our children an in-house camp experience -- definitely a camp experience that would encourage kids to go to camp onsite. Songs, stories, graces, games, nature activities, and always encouraging self-discipline. We loved it all! Terrific experience for all -- we want them to come back next year!"

-Roxanne & Deb, Day Camp Volunteers

"Every year the kids in our community look forward to day camp led by SLM. The SLM staff is always enthusiastic, caring, and engaged. SLM plans the curriculum and activities, which means very little effort on the part of congregations to implement a VBS day camp program. Most importantly, the kids grow in faith and have fun!"

-Karla, Day Camp Coordinator

DAY CAMP

2024

Day Camp is...

A Christ-centered camp experience brought to your local congregation. Day camp offers camp games, crafts, worships, and more for youth entering K-6th grade.

Each Day at Day Camp...

- Day Camp activities include praising and learning about God and one another through: worship, skits, crafts, games, hands on Bible Studies, songs and more!
- Campers focus on a Biblically related theme to guide us in our activities. Campers interact in both small and large group settings.
- Many congregations plan additional afternoon activities or service opportunities such as singing at a nursing home or a trip to a local pool in their community.
- Day Camp runs Monday-Thursday. A Sunday "Kick-Off" is also an option.
- Day Camp times are generally 9:00am-2:30pm each day but alternative times can be arranged.
 - We will work with you to develop a program that best fits the needs of your community.

The Day Camp Team...

Shetek Lutheran Ministries sends a group of dedicated and hard working young adults. The number of staff that is sent varies based on how many campers sign up for your day camp. Our staff is trained in working with youth and leading each component of a SLM Day Camp experience. In addition, staff are CPR and First Aid Certified.

The Congregation(s)...

- Has a local Day Camp Coordinator and contact that acts as a liaison between SLM and the congregation(s) as well as assists in organization and pre-planning.
- Recruit and provide a volunteer staff (1 per 10 campers) to assist in implementing the Day Camp Program with the SLM staff.
- Provide housing and all meals for Day Camp team.
